Petition To Grant Filing Date And To Refund Petition Fee

As set forth in MPEP \$506.02, Applicant hereby petitions to grant the proper filing date of February 18, 2004 rather than February 17, 2004 for the above-identified patent application. The following is enclosed as evidence of February 18, 2004 being the correct filing date under 37 CFR § 1.10:

- A copy of the Cover Sheet for the Application showing the Express Mail 1. Number; and
- 2. A copy of the Express Mail Receipt marked by the United States Post Office as being mailed at 6:50 p.m. on February 18, 2004.

A copy of our return post card from the United States Patent Office shows that Applicant was improperly given the filing date of February 17, 2004 instead of February 18, 2004.

There is no error on the part of Applicant. Accordingly, Applicant respectfully requests the granting of February 18, 2004 as the filing date.

A check in the amount of \$130.00 in payment of the petition fee as set forth in 37 CFR §1.17(i) is enclosed herewith. Any additional fee may be charged or any overpayment credited to our Deposit Account No. 16-0605. Because no defect existed, however, Applicant also respectfully requests refund of the petition fee.
